

"Freelancing"

Overview

The college is dedicated to fostering self-reliance and professional skills among students to prepare them for various career paths, including freelancing, self-employment, and competitive sectors. These initiatives are managed under the Placement Cell and IQAC.

Key Initiatives & Activities (Session 2024-25):

- **Placement Cell:**
 - Headed by **Dr. Sandeep Dahiya** (Assistant Professor, Geography).
 - On **20.02.2025**, an extension lecture was organized where **Dr. Satish Kumar** (Assistant Professor, Commerce, Delhi University) guided students on preparing for competitive examinations after graduation.
- **Skill Enhancement Workshops:**
 - To improve professional communication—a crucial skill for freelancers and professionals—the **IQAC** organized a **Communication Skills Workshop** from **07 October 2024 to 11 October 2024**.
 - **Mock Interviews** and guidance programs were conducted for final-year students on **11 April 2025** to prepare them for real-world interactions.
- **Sector-Specific Training:**
 - **Banking & Finance:** On **19 February 2025**, a lecture on "Employment Possibilities in the Banking Sector" was delivered by Mr. Jatinder Paul Singh (Vice President, Axis Bank).
 - **Digital Skills:** The Computer Science Department organized competitions on "**The Role of AI in Preventing Cyber Crime**" on **28 February 2025**, encouraging digital literacy essential for modern freelancing.
 - **Intellectual Property Rights (IPR):** A workshop on IPR was conducted on **19 February 2025** by Dr. Vandana Nasa, providing insights into protecting creative and intellectual work.
- **Earn While You Learn:**
 - The college actively implements the "**Padho Aur Kamao**" (**Earn While You Learn**) scheme to support students financially while they study, fostering a culture of work and independence.
